

CITY OF FREMONT HILLS ROOFING APPLICATION

This Roofing application must be completed and submitted to the City of Fremont Hills for approval prior to any roofing improvements or changes being made as governed by the Zoning Code or Subdivision Regulations. This form requests basic information that must be provided by the Applicant seeking permission to construct a new roof on a home (new house or existing house) in the City of Fremont Hills. **The minimum specifications for roofing are: architectural in design, 50-year warranty, 100+ mph wind rating, and earth tone in color.** The City has a pre-approved list of shingles that comply with the specifications—please contact the City Clerk at 417-725-6404 for the listing.

Please provide the requested information below.
